# Annabel Lee Candles

Our focus is on the elegance of soothing colors and luxurious fragrances encapsulated in simple vessels leading you to a place of nostalgia and transcendence.

# The Story of Annabel Lee Candles

Annabel Lee Candles was created with the concept of the beauty and serenity of nature. Our focus is on the elegance of soothing colors and luxurious fragrances encapsulated in simple vessels leading you to a place of nostalgia and transcendence. Named after our first grandchild, we hope our candles bring you as much joy as she brings us.

Each candle is poured at the optimal level of fragrance to ensure an even, long-burning, highly scented candle from beginning to end. We pride ourselves on using only the finest fragrances and wax for the best quality candles.
