

BOXERCRAFT
your life. your spirit.™

OUR FLANNEL STORY

For 35 years, our Flannel lounge pants have been the foundation of the Boxercraft brand and a staple of your loungewear style. As part of the never ending chase to be better, faster, stronger we've elevated our Flannel program to new heights. On the surface, it begins with new colors and new patterns but the magic actually begins with the yarn itself.

Every pattern and color is woven from a 100% cotton "super" yarn. It's a high twist yarn that provides increased strength and durability that will stand up to the heavy brushing we use to achieve the amazing soft handfeel. Super yarn also allows for better color saturation delivering vibrancy and longevity to the patterns and it is pre-shrunk to ensure the meticulously crafted fit remains true. When it's time to relax, it's time for the authentic Flannel lounge pant from Boxercraft.

SUPER YARN...

Increased Durability:

- The twist of the yarn changed during knitting. Increasing strength and durability. (Yarn is pre-shrunk)

Brighter Colors:

- Super yarn has better color saturation resulting in brighter colors and improved color fastness.

Awesome Handfeel:

- The increased durability of the yarn results in more fabric brushing for an even softer feel.
