BM6624 HARLEY FLANNEL PANT

The Harley pant builds on our 35 years of expertise in creating incredible loungewear. Built from our new "super" yarn, the classic 100% cotton Flannel fabric has a beautifully soft handfeel, luxurious drape, vibrant color retention and outstanding durability. The 4.3 ounce weight is perfect for year round comfort whether you have barefoot mornings or a chill in the air. The styling and fit have been refined and expertly crafted for "Him" and we've extended sizes down to XXS to accommodate a broad range of customers. Adjust the fit with coordinating internal tie at the waist. And you can't have pull-on Flannel pants without handy side pockets. In so many color combos, you're covered every day of the week.

BUFFALO CHECKS

A Buffalo Check is a two-color check, and one color is usually always black. The most recognizable Buffalo Check is red and black, something that would bring to mind a lumberjack.
