INTRODUCING

OUR CANDLE COMPANY

The Gerson Companies, best in the industry for our LED flameless candle Line, now brings to market **Lone Elm Candle Company**, our line of scented wax filled burn candles. Our NEW candle line features an assortment of unique vessels made from glass, ceramic, cement, and wood, all of which are crafted to be reusable long after the candle's life.

Each candle in this collection is hand-poured with a proprietary blend of high-quality wax ensuring a longer, cleaner burn. The scents are carefully curated, designed to evoke different moods and atmospheres. Perfect for relaxation, meditation, or simply elevating the ambiance of any space.

BEAUTIFUL CONTAINERS • FINE FRAGRANCES • HAND Poured

Our Fragrances

Sandalwood: *A harmonious blend of earthy, woody, and creamy notes, offering a soothing and grounding scent experience. Its fragrance encompasses a sweet and slightly spicy profile, exuding a depth that hints at incense-like sweetness and a subtle, musky undertone.*

Driftwood: *A distinctive blend of natural, woody, and maritime elements. It often carries oceanic note, reminiscent of the sea, with hints of saltwater, seaweed, and a touch of sea breeze and a sense of being weathered by the elements.*

Fresh Linen: *This scent encapsulates a crisp, clean, and airy fragrance reminiscent of freshly laundered fabrics. It carries a delicate, light aroma, evoking a sense of purity and cleanliness.*

Sunkissed: *Conjures up a vibrant, warm, and radiant aroma sensation. It's reminiscent of sun-soaked elements and carries a blend of aromas including the subtle hint of warm, sun-drenched skin, with a touch of coconut and tropical oils.*

Sweet Vanilla: *Our vanilla scent is warm, sweet, and inviting, derived from the aromatic compounds found in the vanilla bean. It is often described as having a rich, creamy, and slightly spicy aroma creating a comforting and familiar fragrance that evokes a sense of warmth and coziness.*

Baked Apples: *A comforting and inviting aroma that carries the sweet, warm essence of your childhood home with a hint of spices. It features the rich, sugary sweetness of caramelized apples, accompanied by notes of cinnamon, nutmeg, and cloves.*

Sugar Cookies: *A warm embrace from the oven—sweet, buttery, and comforting. Imagine notes of caramelized sugar mingling with the rich scent of butter, creating an inviting, cozy atmosphere.*

Autumn Spice: *A warm, inviting blend that captures the essence of the fall season. It combines a medley of rich, comforting spices like pumpkin, cinnamon, nutmeg, cloves, and a hint of ginger.*

Winter Pine: *The winter pine scent transports you to a snowy forest with its sharp and invigorating aroma of fresh pine needles. A crisp coolness fills the air, capturing the essence of a brisk winter day with woody undertones that add a grounded and natural element.*

Solar Lanterns

Solar Candle Lanterns - No Batteries, No Fuss!

These lanterns have Solar Candles — no need to change batteries, and no ugly solar panels. Instead, solar panels are built into the candles and absorb light from the side of the candles.

Automatically comes on dusk and lights throughout the night depending on the charge during the day.

illumafTMlame is the most spectacularly realistic looking flameless candle available no other LED candle compares. illumafTMlame has a patented LED luminescent flame so real you will try to blow it out.

illumafTMlame candles feature a patented random flicker with “wind” effect. You will never see the flame repeat the same flicker for that lifelike look. Proprietary software built into each candle elevates this candle above all others. illumafTMlame is available as a Light, a Candelier, Glass Wax-Filled Candles, and new for this season, durable Outdoor Candles and spectacular Solar Torches. All Flame free, smoke free, worry free.

All illumafTMlame candles feature the patented random flame flicker, as well as:

- *Dimming Function - 3 brightness settings that will make the flame softer or brighter allowing the user to adjust the ambient mood.*
- *Multi-choice Timer that allows the user to set the timer for 4 hours on / 20 hours off, 6 hours on / 18 off or 8 hours on, 16 hours off. The timer, once set, allows the candle to light and turn off daily at the timer's setting. Just set it and forget it. This function allows candles to be placed in out of reach locations.*
- *Long Lasting Flame - Candles operate with (2) C batteries for long lasting use.*
- *Beautiful and Safe – The candle looks like a burning flame candle though perfectly safe without the risk of fire, wax build up or soot.*

ORDERING POLICY/TERMS

CREDIT CARD PAYMENT

We do not ship COD, but you can use your CREDIT CARD for your order. PLEASE READ THESE VERY IMPORTANT CONDITIONS and procedures:

You may use your credit card for any size order. We accept Master Card, Visa, Discover and American Express. We will charge your card when sufficient product is available to ship. The charge will cover product cost plus freight on the actual product shipped. Please note, all orders less than \$ 350 will incur a \$35 handling fee.

NEW CUSTOMERS: Please visit us online at www.shop.gersoncompany.com to fill out our Customer Application form. You may also request a form from your Gerson sales representative or from the credit department at 1-800-444-8172, press 4, then press 3. You will need to submit this completed form with your initial order to enable us to process your order.

SHORTAGES / DAMAGES:

Whether shipment is by Common Carrier or FedEx, shortages and/or damages must be noted at the time of delivery along with the driver's signature. There should be red tape on the shrink wrap. This tells the trucking company not to break the shrink wrap at their terminal. If there is no red tape, contact us immediately. All claims must be reported to The Gerson Company Customer Service Dept by phone at 1-800-444-8172, or email at claims@gersoncompany.com within 90 days of invoice date. Damaged merchandise must remain in the original carton with all packaging until instructions are provided for disposition of product by The Gerson Company. Photos or videos of damaged or defective product must be submitted with all claims. No credit will be allowed unless authorized by a Gerson Company Representative.

Payment terms are contingent on timely payment in full of all of customer's previous orders with The Gerson Company and any of its divisions. Any delinquencies on previous orders will require payment of the current order before delivery of the goods to customer. In the event pre-payment is required by these terms, failure to pay by the time originally designated herein for delivery of the goods constitutes a breach by customer of this purchase agreement. Open terms are subject to credit approval.

If your bill is not paid according to the payment terms stated herein and it becomes necessary to use collection procedures, you agree to pay and will be charged for any and all collection fees including all reasonable attorney fees. Any invoices not paid within the stated payment terms are subject to a monthly interest charge of 1.5% per month applied to the total amount past due. This agreement is governed by Kansas law and you agree that all actions arising out of or related to this agreement shall be litigated in a court having situs in Johnson County, Kansas.

FREIGHT:

We are able to offer flat rate shipping. Please check our website for current rates. Our carriers charge an additional \$50 fee (FOR EACH SERVICE) to the flat rate fee for special services like lift gate delivery or inside delivery.

PRODUCT PRICE CHANGES:

Gerson reserves the right to increase prices without prior notification due to any potential economic issues including but not limited to price increases from overseas manufacturers, increases in ocean freight costs, or increases in import tariffs.
