2024 PRODUCT CATALOG

Mark Wieser, Founder

Case D. Fischer, President & CEO

In 1969, Mark founded Fischer & Wieser's Das Peach Haus crafted from an 1870's German log cabin. Located in Fredericksburg, Texas, it became a popular spot for peach enthusiasts seeking locally harvested peaches and handcrafted preserves from the Texas Hill Country.

A decade later, Case Fischer, a dedicated worker, joined the team and developed a deep passion for farming and preserving. Inspired by the joy their products brought to customers, Case proposed a transformative idea to Mark – to expand their jams and jellies offerings – and Fischer & Wieser Specialty Foods was born.

Today the company produces over 150 handcrafted specialty products across a family of brands that are available throughout the country and internationally.
