Kids Aprons

Just Keep Trucking: Perfect for budding motor enthusiasts, this design has used crayon style brushes to enhance the naïve, childlike feel.

Underwater Wonders: This tranquil oceanic scene evokes a sense of wonder. Huge whales swim slowly along with shoals of fish sweeping past, jellyfish drift in the current and sea shells cling to corals against a gorgeous blue backdrop.

See You Later Alligator: Taking inspiration from vintage children's book illustrations, this design was created using watercolour-wash and pen.

Born To Be Wild: A design for those who love playing outside, get excited about nature and enjoy creepy crawlies! Painted with thick gouache paint in bright popping colours against a turquoise backdrop.
