# Christmas Robins

Celebrate festive tradition with Christmas Robins, a beautifully hand-painted range full of seasonal warmth. Delicate robins nestle among winter greenery, forming elegant wreaths and framed with refined foliage trims across aprons, tea towels and oven gauntlets.

Beyond the kitchen, table runners, reversible placemats, and napkins add to this timeless collection, perfectly crafted for the magic of Christmas hosting.

# Christmas Cats

Full of seasonal mischief, Christmas Cats playfully captures curious felines at Christmastime. Hand-painted in a colourful, expressive style, cats tangle with decorations, hide among presents and get cosy in retro woolly jumpers.

Set against cool mint with scattered stars, soft snow and a festive red trim, the vintage flair of this cheerful collection is perfect for cat lovers – bringing humour, warmth and a touch of nostalgia to modern kitchens.

# Winter Walkies

Step into the magic of frosty scenes with Winter Walkies, a whimsical collection featuring dogs in cosy jackets among snow-dusted pines and classic foliage. Hand-painted in watercolours and ink, the artwork has a nostalgic, storybook feel against its warm oatmeal ground. Paired with gingham prints and festive red trims, this charming range brings homely, seasonal warmth and four-legged joy into the kitchen, perfect for holiday baking and entertaining.

# 12 Days of Christmas

The "12 Days of Christmas" design recreates the classic Christmas song, drawing inspiration from illustrations found in beloved Christmas storybooks. This enchanting collection features rich holiday colours, including berry red, navy, and golden yellow, evoking a sense of nostalgia and warmth. The design beautifully captures the magic of the season, making it a perfect addition to festive celebrations.

# Christmas Ornaments

Inspired by the tradition of heirloom Christmas ornaments collected over generations and retrieved from the attic each year, this design is hand-painted using mixed media. Drawing from traditional illustrations in vintage fairytales like The Nutcracker, it features stripes and harlequin trims for a contemporary circus feel that's on trend. This collection is perfect for creating a carefully curated tablescape, ensuring a show-stopping Christmas table.
