24130 Republic Chai®

Hot or Iced: This sweetened chai is a refreshing blend of premium black tea and rich spices. The sweetness of wildflower honey, cinnamon and vanilla is balanced by soft ginger and clove notes. Mix with dairy or dairy alternative.

24420 Pomegranate Green

Iced: Sweetened green tea is married with ripe pomegranates for a refreshing fruit beverage. Pomegranate is a perfect tart-sweet balance to fragrant green tea. Mix with water or sparkling water.

24451 Organic Matcha

Hot or Iced: Premium matcha lattes start with the best ingredients. For the base, we start with organic Japanese green tea powder made from tender, shade-grown tea leaves. Then we lightly sweeten the matcha and add mild vanilla notes for a rich and energizing treat. Makes a delicious matcha freeze. Mix with dairy or dairy alternative.
